### QUARANTINE MEANS A BIG LOSS

### The Hamburg Packet Company Is Out \$3,000 a Day.

the arrival of the vessels now on the ocean. The Hamburg-American Packet Company alone have three ships on the way over.

They are the Wicland, due Friday; the Bobe- New Brunawick's Fire This Morning mia, due Sept. 13, and the Scandia, which salled Aug. 27 for Baltimore, and is expected

to touch at this port. A very little figuring will show that at number now in quarantine, brings the total it

for food a one up to \$1,400 a day.

To this must be added the loss of profits on the free capt. reight and passengers, orieltures for unruitilled obligations, officers' and seamen's wares, besides the loss on idle capital while the shaps are lying at suchor. According to a steamable official those litems bring the liamberg Company's daily loss at present up to \$4,000.

Should no other of its vessels be detained, a should no other of its vessels be detained, a worker of the total the two-week quarantine would mean that the should no other of its vessels be detained, a two-week quarantine would mean that the company's stockholders would have to shoulder a loss of \$42,000.

Thus far there has been no hest atton about furnishing detained passengers, not cabin and steerage, with all necessary provisions. The Health officer or one of his assistants inspects all the tool provided by the steamsulp beonle.

The Federal and State Governments have nothing whatever to do with providing food for the detained immigrants unless the steamship companies refuse to do so. In that event the Charactine officials would formsh what was required and the Company would have to root the Mil.

The modeline of the company would have to root the Mil.

The modeline of the company would have to root the Mil.

A Good Fxcuse.

MURDER ON A TRAIN.

Cowboys Test Revolvers from Platform and One is Killed. ITY ASSOCIATED PRESS, 1

Topega, Sept. 7 .- liarian Lowe, an Indian Territory cowboy, while on his way home last that is lost sight of by the general public, although the steamship companies have it always before them.
